

C. G. Downing

Dear Doctor

May not the Com. say
that they did not suppose the
Academy to have acted upon
either proposition stated on p. 5
of your reply - : but that it acted
upon the question of citizenship,
as a matter of fact under
the ~~then~~ construction of the statutes:-
it being I think within
its power to settle such
a question bona fide. -
This seems to me ^{me} ~~the~~ your
rather by this - : tho' not the
only one.

I fear that the sentence at
top of p 7- might by captions

Professor Gray

should be unconstrained and
employ a policy at issues
not conservative holding -

Japan at all
